

Make Your Money Work

Money in the bank works for its owner day and night, Sunday and Holidays. And the longer it works the harder it works and the more it makes for you. It never gets tired, never takes a rest, never stops growing.

You can start such an account with as little as one dollar. See us about it.

Cable News

CANAL TOLL RATE NAMED

[Associated Press Cable] WASHINGTON, Nov. 13.—President Taft, this evening, issued his proclamation setting the rate of the Panama canal toll for all foreign merchantmen, which will be \$120 a ton.

The tolls of the Suez canal are \$1.90 a ton.

Over-Night Wireless To the Advertiser

An armistice is now being arranged for between the Turkish and Bulgarian forces. It is announced that hostilities will cease this evening at sundown.

Lieutenant von Wegener today telegraphs that Richpost from the Bulgarian front that their attack on the Turkish center at Tchatalja is desperate and that they are steadily gaining ground.

With thousands of persons dead from starvation and disease, Constantinople telegraphs that bodies are lying unburied outside the city walls. The mortality is greatest in the refugee camp between Constantinople and Tchatalja.

Unofficial reports received here today state that General Yankovitch's Serbian troops have occupied Durazzo in open defiance to Austria's warning.

All the European Powers have agreed to the Turkish proposal made last week that they should inform the Balkan Mountain Nations of the Turkish request for mediation and to inquire from them whether they are willing to formulate terms on which negotiations could be opened.

Five alienists today began examination of the mental condition of John Schranke, who yesterday pleaded guilty to having attempted to slay Theodore Roosevelt in Milwaukee a month ago.

With a large list of passengers and a full cargo, the steamship Lurline of the Matson Navigation Company, Captain Weedon, resumed her Honolulu run today, after laying off one trip after the rush of the sugar season.

Arthur Capper, Republican, is today elected Governor of Kansas over Hodges, Democrat, by a majority of fifty-three votes, according to complete official returns.

Hodges refuses to admit defeat, declaring that he has a lead of fifty. He will contest the election.

President-elect Woodrow Wilson said today that in his informal visit with the New Jersey congressional delegation in Trenton yesterday he had been able to talk only with William Hughes, United States senator-to-be from New Jersey, and Representative Tuttle, as to what they thought of an extra session of congress.

Each man had expressed himself in favor of an extra session, he said. The Governor liked President Taft's speech in Washington predicting that under a Democratic administration the South would have a greater share in the national government and that sectional lines would tend to disappear.

"It was a very generous speech," said Mr. Wilson.

Chaplain Samuel H. Bell, First Field Artillery, who has been on leave of absence, has reported in army headquarters in San Francisco and has been assigned to temporary duty until the departure of a transport which will take him to rejoin his station at Schofield Barracks, Oahu.

All Spain is in a fever of excitement today over the fate of Manuel Pardo Zarate, the twenty-eight year old anarchist, who assassinated Premier Canalejas.

The police today directed their efforts to seeking the original of a photograph of a beautiful girl found in Zarate's effects. It bore the following inscription: "To my unforgettable Manuel."

General Weyler, commonly called "The Butcher of Cuba," is the strongest candidate for Spanish premier.

Joseph Kane has sued "Rube" Marquard, star pitcher of the New York Giants and now on the vaudeville stage, for \$25,000 damages, alleging alienation of the affections of his wife, Blossom Seely, the actress, who is Marquard's partner in a vaudeville sketch now being produced.

The board of regents of the University of California has appointed John Washington Gilmore, president of the College of Hawaii, professor of agronomy, beginning July 1, 1913, at a salary of \$5000.

Doctor Gilmore has had vast experience in the Philippine Islands, where he established agricultural schools, and in China, where he founded the agricultural college of Wuchang.

Hopes of the Unionists in connection with the Irish Home Rule bill were destroyed today, when Speaker James Lowther held in order the premier's motion to rescind the decision of the house in committee by which the government was defeated last week.

licer Frederick Maskeew has issued a statement to the effect that no Mediterranean fly pest has been found in bananas or banana packings from Honolulu.

The bananas secured by Italian fishermen, after having been opened and thrown overboard Saturday and then taken by the fishermen to Fisher-men's Cove and transferred to peddlers and sold throughout the bay, were spoiled bananas and not infected with Mediterranean fly, explained Maskeew today.

The spoiled bananas were from the steamship Ventura, having spoiled through the overheating of the cargo.

Because of the illness of two jurors, the trial here of forty-seven labor union men accused of illegally transporting dynamite is postponed until tomorrow.

Our idea of a wealthy man is one who is eager to contribute to a campaign fund.
